**Re: Albert Frei & Sons Inc.; Walstrum Mine; Acreage Reduction Approval;
 Permit No. M-1983-033; Revision No. AR-01**

Mr. Frei:

On June 5, 2020, the Colorado Division of Reclamation, Mining and Safety (Division/DRMS) approved the request for release of a portion of the permit area (Stage X and Stage **Z**) from further reclamation responsibility.

The permit area was reduced to 285.13 acres, through the release of 6.94 acres in this permit action. Since the permit is not totally released, you are still liable for filing annual reports, maps and fees.
