**Re: Pueblo East Pit, Permit No. M-2000-041, Technical Revision Approval, Revision No. TR-6**

Dear Mr. Ary:

On June 10, 2020 the Division of Reclamation, Mining and Safety approved the Technical Revision application submitted to the Division on February 13, 2020, addressing the following:

*Extend Phase II mining into Phase III and decrease the size of Phase III to be north of the 100-year floodplain at the Pueblo East Pit*

The terms of the Technical Revision No. 6 approved by the Division are hereby incorporated into Permit No. M-2000-041. All other conditions and requirements of Permit No. M-2000-041 remain in full force and effect.

The estimated liability amount of \$2,186,592 for M-2000-041 exceeds the \$1,955,780 performance bond currently held. **In accordance with Rule 4.2.1(2), the permittee shall post the additional financial warranty of \$230,812 within 60 days, due on or before August 9, 2020.** The revision will not be final until the bond is approved by the Division.

If you need additional information or have any questions, please contact me at Division of Reclamation, Mining and Safety, 1313 Sherman Street, Room 215, Denver, CO 80203, by telephone at **303-866-3567 x8114**, or by email at [patrick.lennberg@state.co.us](mailto:patrick.lennberg@state.co.us).

Sincerely,

Patrick Lennberg  
Environmental Protection Specialist
