RE: Rincon Materials M-2020-018 Decision Date Extension Request

Rincon Partners requests an extension of the Colo. Division of Reclamation, Mining, and Safety 112C application decision date for the Rincon Materials project to June 30. This should be sufficient time for Colorado Parks and Wildlife to update DRMS staff as to their comments on the application.

Please contact me if you have any further questions or concerns.

Sincerely,

Ben Langenfeld, P.E.
