RE: Yoast Mine, DRMS Permit No. C-1994-082, 2019 Annual Reclamation Report Review

Dear Ms. Kawcak,

The Colorado Division of Reclamation, Mining and Safety (DRMS or Division) received the 2019 annual reclamation report for the above referenced mine site on March 26, 2020. The report was reviewed by DRMS for compliance with Rule 2.04.13. DRMS finds the following:

- (1) The report was received on March 26, 2020 prior to the March 30th deadline approved in the permit (Tab 22, page 32) as allowed by Rule 2.04.13(1).
- (2) The name and address of the permittee as well as the permit number for the site was included on the annual reclamation report form in accordance with Rule 2.04.13(1)(a).
- (3) No acres were reported to have been disturbed during the report year. Rule 2.04.13(1)(b) is complied with.
- (4) No acres were reported to have been backfilled and graded during the report year. Rule 2.04.13(1)(c) is complied with.
- (5) No acres were reported to have been topsoiled during this report year. Rule 2.04.13(1)(d) is complied with.
- (6) No acres were reported to have been seeded during this report year. Rule 2.04.13(1)(e) is complied with.
- (7) Seneca Property, LLC. ("SPL") reports that 13 acres was added to the seeded acres with 10 years or greater of growth bringing the total acres in this category to 757.1 acres.
- (8) SPL also provided additional monitoring information as required by the approved permit. This included history of soil stockpile volumes, history of vegetation sampling and monitoring, weed control information, grazing information, history of pond surveys, and wildlife monitoring.
