**RE: Florence Sand & Gravel Pit, Permit No. M-1992-051;
May 2020 Inspection Corrective Action Resolved**

Dear Mr. Langston,

On June 15, 2020, the Division approved your technical revision application to allow for the import of clean earthen fill material from an offsite construction project, thereby addressing the cited problem in the inspection report dated May 22, 2020.

The Division considers the corrective action resolved.

If you have any questions or need further information, please contact me at (303)866-3567 x8169.

Sincerely,
