Acknowledgment of Completed Technical Revision (TR-03) Grading and Seeding**

Dear Mr. Tezak,

In lieu of the Division being able to perform a timely site inspection due to COVID-19 travel restrictions in April 2020, we received via email on May 28, 2020 documentation of completed grading and seeding in the Fines Disposal Area as approved in TR-03. This letter serves as acknowledgment that the TR-03 prescribed grading and seeding have been accomplished.
