RE: Apex Lode - File No. M-2014-011,
Technical Revision Application (TR-1)

Dear Mr. Strong:

On June 25, 2020, the Division of Reclamation, Mining and Safety received your Technical Revision application for the Apex Lode 110(1) Hard Rock Reclamation Permit, which is located in Garfield County. All comment and review periods began on June 25, 2020, and a decision date has been set for July 27, 2020.

If you have any questions, please contact me.

Sincerely,

Amy C. Yeldell
Environmental Protection Specialist
