Good afternoon Chris,

I just sent an email to Tony Tennyson regarding New Horizon Mine TR99. I received an automated reply that he is out of the office until July 6, 2020. The proposed decision for TR99 is Monday June 29, 2020. The Division sent ERMR (Tony) an adequacy letter on June 19, 2020.

The Division has not received responses yet. Please notify me regarding how much additional time you think ERMR will require to respond to the adequacy concerns and allow the Division about a week to review your responses.

Thank you,

Janet Binns
