Re: Hankins Stone Quarry #1, Permit Number M-2000-154, Incomplete Application for Transfer of Mineral Permit and Succession Of Operators (SO-02)

Dear Mrs. Hankins and Mrs. Choice,

On June 23, 2020 the Division of Reclamation, Mining and Safety (Division) received the Application Form for the Transfer of Mineral Permit and Succession of Operators from Hankins Stone Company Inc. to TJH Stone LTD for the Hankins Stone Quarry #1, Permit Number M-2000-154. Preliminary review of the application indicate there are missing items and therefore, it cannot be considered complete and filed. The following items must be submitted for the application to be considered complete, and the technical adequacy review process can begin.

- 1. Replacement Financial Warranty-** the replacement Financial Warranty was not provided per Timeline Option Two selected. The current required Financial Warranty for the site is \$25,054.56. It is the Division's understanding that the Financial Warranty is in the process is being issued and all documentation has been provided to the prospective new Operator. If any new documentation is required please contact the Division so the proper forms can be provided. In addition, an updated Affidavit of Authority must be submitted to authorize the individual executing the documents.
- 2. Structure Agreement-** Records held by the Division indicate that the only structure within 200 feet of the affected lands is County Road 18Y administered by San Miguel County Road and Bridge. Please execute the enclosed structure agreement for County Road 18Y. The agreement is to be signed by the prospective new Operator and the owner of the structure, in this case, San Miguel County Road and Bridge.

Please submit the above listed items within 60 days of the date of this letter. All items should be received by the Division's Denver office no later than **Friday August 28, 2020**. If the items are not submitted the SO-02 Application may be denied. If you have any questions, comments or concerns

please feel free to contact me at the Division's Grand Junction Field Office, by phone at 303-866-3567, Ext. 8187 or by email at lucas.west@state.co.us.

Sincerely,

Lucas West
Environmental Protection Specialist
