**Re: Bowie No. 1 Mine, Permit C-1981-038,
Review of First Quarter 2020, Pond Inspection Report**

Dear Mr. Bear:

The Division received your First Quarter 2020 Pond Inspection Report (certified by Tamme Bishop, P.E. No. 43402) based on inspections on 30 March 2020. I reviewed this report in the context of the Regulations of the Colorado Mined Land Reclamation Board for Coal Mining, in particular Rule 4.05.9(17). The report is in compliance with these regulations. No problems were identified with any of the four ponds that were inspected (Loadout Pond, Highway Pond, and the two ponds at the West Mine).

Thank you,

Robert D. Zuber, P.E.
Environmental Protection Specialist II
