Re: Salisbury Gladstone LLC, Gladstone site, File No. M-2020-030, Second Incomplete Submittal of Limited Impact Operation 110(1) Reclamation Permit Application Form

Mr. Carter:

On June 23, 2020, the Division of Reclamation, Mining and Safety (Division/DRMS) received the Limited Impact Operation 110(1) Reclamation Permit Application Form incompleteness response for the Gladstone site, File No. M-2020-030. Review of the information received determined the following items must be received before the Division can consider the form as being submitted and technical review can begin:

Application Form

1. Please revise the “by”, “as” and “of” sections of the notary section on the certification page to indicate “Jeff A Carter”, “Manager” and “Salisbury Gladstone LLC”, respectively. A copy of an edited certification page is attached for reference.

6.3.9 Exhibit I - Proof of Filing with County Clerk

2. Please provide an affidavit or receipt indicating the date on which the revised application documents were placed with the Clear Creek County Clerk in response to this letter. The application form is not required to be recorded by the county clerk, however the documents must be available for public review at the county clerk’s office.

Your application will not be considered filed until the information listed above is received and found sufficient to begin our review. A decision date will be established 30 days from the date of receipt of all of the requested information. **Additionally, if you have already published notice you will need to republish notice, after the Division considers the application submitted. Republication must occur once within ten (10) days of the submittal date. We will notify you when you should initiate republication of your notice. The final date for receiving comments is ten (10) days after the date of publication or the next regular business day.**

You have sixty (60) days from the date of the original incompleteness letter to submit all necessary documents the Office needs for the application to be considered filed. If, at the end of the sixty day period, the application has not been determined to be filed with the Office, the Office shall deny the application and terminate the application file.

The response due date is August 10, 2020.

This letter shall not be construed to mean there are no other technical deficiencies in your application. The Division will review your application to determine whether it is adequate to meet the requirements of the Act after submittal of all required items.

If you have any questions, please contact me at peter.hays@state.co.us or (303) 866-3567 Ext. 8124.

Sincerely,

Peter S. Hays
Environmental Protection Specialist

Enclosure - Edited Certification Page

Ec: Jared Ebert, DRMS

Certification:

As an authorized representative of the applicant, I hereby certify that the operation described has met the minimum requirements of the following terms and conditions:

1. All necessary approvals from local government have been applied for (Rule 1.6.2(1) and (2));
2. This entire mining operation will not extract more than 70,000 tons of mineral, overburden, or combination thereof in any calendar year (defined in C.R.S. 34-32-110(2)(a));
3. This mining operation will not adversely affect the stability of any significant, valuable and permanent man-made structure(s) located within two hundred (200) feet of the affected lands. (However, where there is an agreement between the applicant/operator and the persons having an interest in the structure that damage to the structure is to be compensated for by the applicant/operator (Section 34-32-115(4)(d), C.R.S. 1984, as amended), then mining may occur within 200 feet. Proof of an agreement must be submitted to the Office prior to the decision date.)
4. No mining operation will be located on lands where such operations are prohibited by law (Section 34-32-115(4)(f), C.R.S. 1984, as amended);
5. As the applicant/operator, I do not have any mining/prospecting operations in this state of Colorado currently in violation of the provisions of the Mined Land Reclamation Act (Section 34-32-120, C.R.S. 1984, as amended) as determined through a Board finding.
6. I understand that statements in the application are being made under penalty of perjury and that false statements made herein are punishable as a Class 1 misdemeanor pursuant to Section 18-8-503, C.R.S. 1984, as amended.

This form has been approved by the Mined Land Reclamation Board pursuant to section 34-32-110(1), C.R.S., of the Mined Land Reclamation Act. Any alteration or modification of this form shall result in voiding any permit issued on the altered or modified form and subject the operator to cease and desist orders and civil penalties for operating without a permit pursuant to section 34-32-123, C.R.S.

Signed and dated this 1st day of June 2020
