Copy: Jason Musick, Michael Cunningham  
From: Rob Zuber *Rob D. ZL*  
Subject: Request to review First Quarter 2020 Waste Bank report for Bowie #2  
Date: July 13, 2020

Zach –

Please let me know if you have time to review the First Quarter 2020 Waste Bank Inspection report for the Bowie No. 2 Mine, as well as the associated Instrumentation Monitoring reports.

I am sending you the reports as pdf files via e-mail (they are also in Laserfiche). The mine's pond inspection report is attached to one of the reports, but no need for you to review that one.
