Dear Mr. and Mrs. Stone:

This letter is to communicate the Bureau of Land Management (BLM) Tres Rios Field Office's (TRFO) concurrence that final reclamation of the Stone Gravel Pit area is acceptable. This notification releases you of further responsibility over the Stone Gravel Pit area and informs you to request your financial warranty back from the Division of Reclamation, Mining and Safety.

If you have any questions, concerns, or comments, please feel free to contact Laura Hartman, Environmental Protection Specialist, of my staff at 970-882-1143.

Sincerely,

Connie Clementson
Tres Rios Field Manager
