RE: Aggregate Industries-WCR, Inc. Lyons Quarry (M1977-141) Corrective Actions Deadline Extension Request

Dear Ms. Eschberger,

Aggregate Industries-WCR Inc. ("Aggregate Industries") is currently obligated to complete necessary reclamation operations at our Lyons Quarry (M1977-141) by Spring of 2022. We are working on a plan for this and continued site maintenance will be a part of this plan moving forward.

Aggregate Industries is hereby requesting a 1-month extension to address the corrective actions at the Lyons Quarry that were a result of the June 3, 2020 onsite inspection.

We are committed to meeting our obligations onsite, and appreciate your consideration of Aggregate Industries extension request.
