**Re: Mountain Coal Company, LLC, West Elk Mine; Permit No. C-1980-007;  
Minor Revision No. MR-449: Move MVB SS2-7 to MCC Property**

Dear Mr. Simmons:

Mountain Coal Company, LLC (MCC) submits this letter and drawing for Minor Revision MR-449 to move the approved pad for MVB SS2-7 about 100' south along the approved road so that it's fully on MCC property. The red line is the USFS/CRA boundary and the new estimated location of the pad is shown as a rectangle within the yellow circle. It would be a slight decrease in the reclamation cost estimate because there would be 100' less road.

Please contact me at (970) 929-2238 or by e-mail should you have questions regarding this submittal.

Sincerely,

*Kathleen G. Welt*
