Re: North Thompson Creek Mine, Permit C-1981-025
Review of 2019 Discharge Monitoring Hydrology Reports (DMRs)

Dear Mr. Stover:

The Division received the 2019 DMRs for the North Thompson Creek Mine between February 2019 and January 2020. The Division reviewed these monthly reports, and we find no issues to address. For all 12 months, the reports say “no discharge.”
