**Re: Langston Property, Permit M-2020-023;

Dear Mr. Langston,

On August 4, 2020 the Division received an emailed request for an additional 30-day extension to the due date for the Division's corrective action resulting from our Langston Property inspection report mailed on May 22, 2020. Given your efforts to keep us informed of your progress and your 85 percent completeness estimation, the Division hereby approves your request for an extension. The revised corrective action due date for submittal of the required mine reclamation permit application is September 4, 2020.

If you have any questions, please contact me at (303) 866-3567, ext 8169.

Sincerely,
