Re: Permit No. M-1980-244; Cripple Creek & Victor Gold Mining Company; Cresson Project; – June 2020 Inspection Corrective Action Adequacy Comment – Extension Request

Dear Mr. Cazier:

Newmont Corporation's Cripple Creek and Victor Gold Mining Company (CC&V) requests an extension to DRMS' deadline for CC&V to provide information regarding the Carlton Tunnel permit boundary.

A likely historic projection error has been identified, affecting the location of the Carlton Tunnel permit boundary; CC&V commits to working with DRMS to resolve the mapping error.

With DRMS' approval, CC&V would like to reach an agreed path to resolution by August 12, 2020.

Should you require further information please do not hesitate to contact Justin Bills at 719.689.4046 or myself at 719.689.4042 or Justin.Raglin@newmont.com.

Sincerely,

Justin Raglin
