August 6, 2020

AFS - Bennett Pit Permit # M-2001-038 2020 Annual Report – Supplemental Information Albert Frei and & Sons, Inc.

Albert Frei & Sons purchased this sand and gravel pit on June 1, 2017 and renamed the mine AFS - Bennett Pit. An amendment application was filed on February 13, 2019 to expand the mine from 47.8 acres to 107.9 acres. Amendment AM-01 was approved by the Mined Land Reclamation Board in an order dated November 20, 2019.

8. The total disturbance at the mine is 33.6 acres ±. Mining continued on the working face that stretches from east to west on the southern part of the mine site. Mining continues on areas previously disturbed by lowering the mine floor. The following list outlines the various areas of disturbance at the mine.

| DESCRIPTION          | <u>ACRES</u>        |
|----------------------|---------------------|
| Undisturbed area     | 74.3                |
| Stripped-only area   | 0.0                 |
| 2019-20 Mine area    | 3.4 (dark yellow)   |
| Total Disturbed area | 33.6 (light yellow) |
| Reclaimed area       | 0.0                 |
| Total Permit Area    | 107.9               |

9. No new area was affected.

10. No new area was reclaimed. There are piles of overburden/sloping material stored on the mine floor adjacent to the area that will need final sloping along the west side. The piles are not located on the map as they are moved as needed to complete the slopes.

11. Mining will continue on the working face progressing to the south AM-01 area.

12. No reclamation is required at this time.

13. No reclamation is required at this time.

19. Current Bond Amount \$217,500.00 (was increased with AM-01 in October 2019).
