Golden, CO 80401

Re: Tucson South Resource, Permit No. M-2004-044, Technical Revision Approval, Revision No. TR-2

Dear Ms. Felz:

On August 11, 2020 the Division of Reclamation, Mining and Safety approved the Technical Revision application submitted to the Division on May 13, 2020, addressing the following:

Update the mining and reclamation plans and maps to remove mining in the area known as the "south parcel" from the Tucson South Pit because Aggregate Industries is no longer planning on mining this area.

The terms of the Technical Revision No. 2 approved by the Division are hereby incorporated into Permit No. M-2004-044. All other conditions and requirements of Permit No. M-2004-044 remain in full force and effect.

If you need additional information or have any questions, please contact me at Division of Reclamation, Mining and Safety, 1313 Sherman Street, Room 215, Denver, CO 80203, by telephone at **303-866-3567 x8114**, or by email at patrick.lennberg@state.co.us.

Sincerely,

Patrick Lennberg
Environmental Protection Specialist
