Tim,
We are requesting an extension by September 11th

I will call you next week to discuss

Regards
Julio

Julio,

As we discussed over the phone today, please remember to send me an email requesting at least a three week extension to the August 14 decision date. As you are on vacation, we can accept an informal email request. We can discuss the specifics of the attached adequacy letter when you return from vacation. Also note we will not send a hard copy of the attached letter unless you request one.

Please contact me if you have any questions.
