***RE: Kichelmann One, Permit # M-2019-007, 110(1) Amendment Application (AM-01)
Incomplete***

Mr. Lacefield:

On July 30, 2020 the Division of Reclamation, Mining and Safety (Division) received your application for a Limited Impact Operation 110(1) Reclamation Permit Amendment. A preliminary review of the information received determined that the following items must be received before the Division can consider the application submitted and technical review can begin:

1. Pages 5 and 6 (enclosed) of the application form were not completed. Please have the permittee initial and return these pages to our office.
2. Pursuant to Rule 6.3.3, please submit a Mining Plan for the additional acreage. If the Mining Plan for the added acre will be the same as the existing approved Mining Plan please submit a statement confirming this.
3. Pursuant to Rule 6.3.4, please submit a Reclamation Plan for the additional acreage. If the Reclamation Plan for the added acre will be the same as the existing approved Reclamation Plan please submit a statement confirming this.
4. Pursuant to Rule 6.3.4 (2), please provide an updated reclamation cost estimate that includes costs for reclaiming the additional acre.
5. Pursuant to Rule 6.3.5, please submit a Mining Plan Map for the added acre that meets all of the requirements of Rule 6.3.5 (2).
6. Pursuant to Rule 6.3.5, please submit a Reclamation Plan Map for the added acre that meets all of the requirements of Rule 6.3.5 (3).
7. Pursuant to Rule 6.3.7, please provide documentation of the Operator's legal right to enter the additional acre to conduct mining and reclamation.
8. Pursuant to Rule 6.3.9, please provide proof of filing the amendment application with the County Clerk.
9. Pursuant to Rule 6.3.10, please provide proof of mailing notices of the amendment application to the Board of County Commissioners and to the local Conservation District.

10. Pursuant to Rule 6.3.12, please state whether there are any significant, valuable or permanent man-made structures within 200 feet of the proposed permit boundary.

Your application will not be considered filed until the information listed above is received and found sufficient to begin our review. A decision date will be established 30 days from the date of receipt of all of the requested information.

Pursuant to Rule 1.4.1 (8), you have sixty days from the date of this letter to submit all necessary documents that the Division needs for an application to be considered filed. If, at the end of the sixty day period, the application has not been determined to be filed, the Division may deny the application and terminate the application file.

This letter shall not be construed to mean that there are no other technical deficiencies in the amendment application. The Division will review your application to determine whether it is adequate to meet the requirements of the Colorado Mined Land Reclamation Act after submittal of all required items.

If you require additional information, or have questions or concerns, please contact me.

Sincerely,

Dustin Czapla
