Hello Amy,

I would like to request an extension to the Decision Date for the Adequacy Letter requirements regarding TR-2 for Horton Gravel Pit, Permit No. M-1985-135. While the corrections will be submitted by the Decision Date, that will not leave enough time for review by CDRMS. The current Decision Date is August 21st, 2020, I would like to request an extension of 1 week.

Thank you for your consideration,
Justin
