**Re: Holsinger Gravel Pit, Permit No. M-1980-052, Technical Revision No. 1 (TR-01),
Incomplete Submittal**

Mr. Holsinger:

The Division of Reclamation, Mining and Safety (Division/DRMS) received Technical Revision No. 1 (TR-01) for the Holsinger Gravel Pit, Permit No. M-1980-052, on August 13, 2020. The revision application was deemed incomplete for purposes of filing for the following reason:

- The Operator did not submit a copy of the boundary marker survey map with the technical revision submittal.

Please submit a copy of the boundary marker survey map by September 26, 2020. Failure to do so will result in the technical revision being denied by the Division.

If you have any questions, please contact me at peter.hays@state.co.us or (303) 866-3567 Ext. 8124.

Sincerely,
