**Re: Salisbury Gladstone LLC, Gladstone site, File No. M-2020-030,
Consent Agenda Summary Form**

Mr. Carter:

A possible violation hearing is scheduled for consideration by the Mined Land Reclamation Board (Board). As indicated in the Division's correspondence dated August 11, 2020, Re: Reason to Believe a Violation Exists and Notice of Enforcement Hearing, the formal Board hearing is scheduled to occur during the September 23-24, 2020 meeting.

Please find enclosed the Staff Summary Form for Consent Agenda Items (consent form) for the possible violation at the site. If you concede to the violation, cease and desist order, corrective actions and civil penalties, please affix your notarized signature on the enclosed consent form and return the signed form, with original signatures, to the Division no later than September 11, 2020. Upon receipt of the signed and notarized consent form the item will be moved from the Board's agenda for enforcement hearings to consent items and there will be no formal Board hearing regarding the possible violation.

However, if you wish to contest the possible violation or any of the conditions of the enclosed consent form, please inform the Division at your earliest convenience and do not sign the consent form. In the absence of a signed and notarized consent form, the formal Board hearing will proceed as scheduled for September 23-24, 2020.
