RE: Colowyo Coal Company L.P.
Permit No. C-1981-019
Minor Revision No. 223
Salt Storage Building

Dear Mr. Trujillo,

Tri-State Generation and Transmission Association Inc. (Tri-State), is the parent company to Axial Basin Coal Company, which is the general partner to Colowyo Coal Company L.P. (Colowyo). Therefore, Tri-State on behalf of Colowyo is submitting minor revision 223 (MR-223) to Permit No. C-1981-019.

MR-222 proposes an additional salt storage building across from Colowyo's administration building. This will be a metal building (30' wide x 15' high x 39' long), sitting on concrete footers with a dirt floor. It is requested that the Division calculate the reclamation cost for demolition of this building.

Included in this minor revision is a change of index sheet to ease incorporation of this minor revision into the permit document. If you should have any additional questions or concerns, please feel free to contact Tony Tennyson at (970) 824-1232 at your convenience.

Sincerely,
