**RE: Humming Bird Mine, Permit No. M-2017-035, Decision Due Date 30-Day Extension Request
Approval**

Dear Mr. Schneider:

On September 15, 2020 the Division of Reclamation Mining and Safety (Division) received your request to extend the decision due date. Additional time is needed due to an error in the end of comment period listed on the newspaper publication. The end of comment period listed was the original decision due date, so the decision date has been extended to allow for all comments to be received and addressed prior to the decision date. The Division is approving the 30-day extension request. The decision due date for permit application M-2017-035 has been set for November 2, 2020.

Please submit responses the adequacy review #1 as soon as possible in order to allow the Division sufficient time for review. If any adequacy issues remain by the decision due date the Division may deny your request.

If you require additional information, or have questions or concerns, please feel free to contact me. Amy Yeldell at the Division of Reclamation, Mining and Safety, 1313 Sherman St., Room 215, Denver, CO 80203. Direct contact can be made by phone at 303-866-3567 Ext. 8183 or via email at amy.yeldell@state.co.us
