Good Afternoon Andy,

On September 21, 2020 the Division approved your Surety Reduction Request (SR-05) that reduced the Financial Warranty at the M&G Pit, M1986-079, from \$243,300 to \$31,403.

The Division is required to wait 30 days per Rule 4.17.2(5), for any comments. If no comments are received by the close of the comment period SR-05 will become final. The Division will issue the final decision letter on October 21, 2020.

Please find attached to this email a copy of the DWR comments received as part of SR-05.

If you have any questions please let me know.

Thank you,  
Patrick
