RE: Aggregate Industries-WCR, Inc. Lyons Quarry (M1977-141) Corrective Actions Deadline Extension Request

Dear Ms. Eschberger,

Aggregate Industries-WCR Inc. ("Aggregate Industries") is currently obligated to present the Area 2 reclamation plan and submit an updated bond for our Lyons Quarry (M1977-141) by September 23, 2020.

Aggregate Industries is hereby requesting an extension to submit the corrective actions for these items at the Lyons Quarry that were a result of the June 3, 2020 onsite inspection. We have a reclamation plan developed and engineers estimate developed and this is currently undergoing internal review. Therefore, we would like to request a deadline exertion through October 2, 2020. This should enable us to review and submit the reclamation plan via a technical revision and obtain the appropriate rider.

We are committed to meeting our obligations onsite, and appreciate your consideration of Aggregate Industries extension request.
