RE: Cross Gold Mine, Permit No. M-1977-410 Technical Revision No. 8 (TR 8).

Dear Ms. Eschberger:

It was a pleasure visiting with you last week and walking the property to discuss our current and upcoming projects. In relation to TR 8, I would like to request a 30-day extension from the current September 24th, 2020 deadline. We are working on our response to your Preliminary Adequacy Review dated September 1st, 2020, as well as finalizing the remaining lab work we discussed.

Thank you for your continued support on all the GIR projects as we move forward.

Please do not hesitate to contact me directly with any additional questions or concerns.

Yours truly,

Richard Mittasch
