***RE: Riverside Parkway, File No. M-2020-038, 110c Limited Impact Operation Construction Materials Reclamation Permit Application Adequacy Review #2***

Dear Mr. Prall:

The Division of Reclamation, Mining and Safety (Division) is in the process of reviewing the above referenced application in order to ensure that it adequately satisfies the requirements of the Colorado Land Reclamation Act for the Extraction of Construction Materials (Act) and the associated Mineral Rules and Regulations of the Colorado Mined Land Reclamation Board for the Extraction of Construction Materials (Rules). During review of the material submitted, the Division determined that the following issue(s) of concern shall be adequately addressed before the application can be considered for approval.

Exhibit D

1. Pursuant to Rule 6.3.4(d)/(e) describe the pond/sediment control features that will remain post-reclamation.
2. With regards to Rule 6.3.4(2) clarify that no bond is required for this site pursuant to C.R.S. 34-32.5-110(6) since the Operator is the City of Grand Junction

Exhibit L

3. Rule 6.3.12. Blank structure agreements were included however there is no proof that the agreements were ever sent. Please provide proof that agreements were mailed and an attempt to complete the structure agreements was made prior to the engineering evaluation.

Public Notice

4. Pursuant to Rule 1.6.2(1)(e) provide proof that the newspaper publication notice was served to all Owners of Record (i) and (ii).
  - a. Clarify if the certified mail cards included in adequacy response 1 were for public notice or a different notice.

Please submit your response(s) to the above listed issue(s) by Thursday, September 24, 2020 in order to allow the Division sufficient time for review.

The Division will continue to review your application and will contact you if additional information is needed. The decision date for this application is set for September 24, 2020.

If you require additional information, or have questions or concerns, please feel free to contact me. Amy Yeldell at the Division of Reclamation, Mining and Safety, 1313 Sherman St., Room 215, Denver, CO 80203.
