**RE: Aggregate Industries-WCR, Inc. Deer Creek Quarry (M-1973-021) Geotechnical Addendum to the Annual Report Extension Request**

Dear Mr. Scott,

Aggregate Industries-WCR Inc. (AI) is currently developing Amendment-07 (AM-07) to the Colorado Division of Reclamation Mining and Safety (DRMS) M-1973-029 112 Reclamation Permit. This amendment is a result of the June 2020 inspection report and has a deadline of October 1, 2020.

AI and our geotechnical consultant, GEI Consultants (GEI), are in the process of finalizing AM-07, however, the timeline to completion is beyond the October 1, 2020 deadline.

AI is hereby requesting an extension to submit AM-07 to M-1973-021. We would like to request a deadline extension through October 16, 2020. This should enable us to finalize submit AM-07.

We are committed to meeting our obligations onsite, and appreciate your consideration of Aggregate Industries extension request.
