RE: Colowyo Coal Company L.P.
Permit No. C-1981-019
Minor Revision No. 224
Collom Cumulative Bond Schedule

Dear Mr. Trujillo,

Tri-State Generation and Transmission Association Inc. (Tri-State), is the parent company to Axial Basin Coal Company, which is the general partner to Colowyo Coal Company L.P. (Colowyo). Therefore, Tri-State on behalf of Colowyo is submitting minor revision 224 (MR-224) to Permit No. C-1981-019. MR-224 updates the Exhibit 13 – *Cumulative Bond Schedule* with an additional area proposed for topsoil removal to facilitate continued development of the Collom box cut and temporary spoil pile. It is requested that the Division calculate the change in reclamation liability proposed under this minor revision.

Included in this minor revision is a change of index sheet to ease incorporation of this minor revision into the permit document. If you should have any additional questions or concerns, please feel free to contact Tony Tennyson at (970) 824-1232 at your convenience.

Sincerely,

DocuSigned by:
