Good Morning Everyone,

The next scheduled shot for RCQ is to be on Friday October 16, 2020 between the allocated permit time of 8 am and 3:30 pm. We are estimating the shot time to be around 12:00 pm pending weather and/or mechanical issues. We will be putting a shot off on bench 4. Mr. Bishop, I will call you approximately an hour before the shot so you can prepare for the blast. If anyone has any questions or concerns, please feel free to contact me.

Thank you,

Wayne Stoughton
