RE: Cross Gold Mine, Permit No. M-1977-410 Technical Revision No. 8 (TR 8).

Dear Ms. Eschberger:

We are still working to finalize our response to your Adequacy Review Response letter dated 9/1/2020. Currently, we are waiting for sludge disposal proposals from multiple vendors. Upon receipt of an acceptable proposal, we will submit TR 8 in its entirety. Until then, I would like to request a 13-day extension, moving the decision date from 10/24/2020 to 11/6/2020.

Thank you for your continued support on all of the GIR projects as we move forward.

Please do not hesitate to contact me directly with any additional questions or concerns.

Yours truly,

Richard Mittasch
