**RE: Aggregate Industries-WCR, Inc. Amendment No. 7 to the Morrison Quarry (M-1973-021)
112 Reclamation Permit**

Dear Mr. Scott,

Aggregate Industries-WCR Inc. (AI) is currently developing Amendment-07 (AM-07) to the Colorado Division of Reclamation Mining and Safety (DRMS) M-1973-021 112 Reclamation Permit. This amendment is a result of the June 2020 inspection report and has a revised deadline of October 16, 2020.

AI has learned from our consultant that they will need additional time to provide the DRMS with a permit amendment that meets all the regularity requirements.

AI is hereby requesting an additional extension to submit AM-07 to M-1973-021. We would like to request a deadline extension through October 30, 2020. This should enable our consultant to finalize and submit AM-07.

We are committed to meeting our obligations onsite, and appreciate your consideration of Aggregate Industries extension request.
