RE: Annual Report M-1978-066

To Whom It May Concern:

The following annual report for M-1978-066, 10 South Pit, includes new disturbances of approximately 0.71 acres for the past year. An existing stockpile located in the southwest corner was crushed for future projects. We continue to have this pit inspected and sprayed for noxious weeds by the local weed district.

Please contact me if there are any questions.
