RE: Annual Report M-1978-065

To Whom It May Concern:

The following annual report for M-1978-065 includes no new disturbances for the past year. Activities included crushing large cobble located on pit floor and a small existing stockpile into crushed base material for future projects.

We continue to have this pit inspected and sprayed for noxious weeds by the local weed district.

Please contact me if there are any questions.

Thank you,

Patrick Sullivan
Road Supervisor
