Good morning! Just checking in to see if this mix was going to work? Needing an answer so we can either order or find something else.

Thank you,

Hello Gentlemen,

I have attached a revised mix.

I used species that are adaptable and readily available. As with any wetland mix it is a bit of shotgun approach.

Let me know if you have any questions.

I can have this mixed and on the road within 48 hours.

Thank you,

David Moore
