Subject: M-2013-064 – **Request for a Continuance** – Varra-Coulson Resource Project –
Technical Revision.

Please accept this request to extend the review period an additional 30 days from the scheduled 2 November 2020 Decision Date, to provide additional time to reply to your adequacy concerns expressed in the field at the Varra-Coulson project area, as:

- 1) Updated stability analysis report.
- 2) Revised Exhibit F – Reclamation Plan Map.

Thank-you.
