Denver, Colorado 80203

Re: Permit No. M-1980-244; Cripple Creek & Victor Gold Mining Company; Cresson Project; – Technical Revision 123 – Squaw Gulch Valley Leach Facility – Phase 2B Part 1 Record of Construction Report

Dear Mr. Cazier:

Newmont Corporation's Cripple Creek and Victor Gold Mining Company (CC&V) hereby requests an extension to the decision date for TR 123 from October 28, 2020 to November 6, 2020. CC&V is requesting the extension in order to address adequacy review comments received from the Division of Reclamation, Mining and Safety on October 16, 2020. CC&V believes this will facilitate enough time to provide adequate responses and allow the Division of Reclamation and Mine Safety enough time to review them.

Should you require further information please do not hesitate to contact Katie Blake at 719.689.4048 or myself at 719.689.4042 or Justin.Raglin@newmont.com.

Sincerely,

Justin Raglin
S&ER Manager
Cripple Creek & Victor Gold Mining Co
