Approval-2**

Dear Mr. Schneider:

On October 30, 2020 the Division of Reclamation Mining and Safety (Division) received your request to extend the decision due date. Additional time is needed to complete an engineering evaluation to ensure that no off-site damages will occur. The Division is approving the 60-day extension request. The decision due date for permit application M-2017-035 has been set for December 31, 2020.

Please submit responses the adequacy review #3 as soon as possible in order to allow the Division sufficient time for review. If any adequacy issues remain by the decision due date the Division may deny your request.

If you require additional information, or have questions or concerns, please feel free to contact me. Amy Yeldell at the Division of Reclamation, Mining and Safety, 1313 Sherman St., Room 215, Denver, CO 80203.
