Good Morning Everyone,

We are looking to put the next scheduled blast at RCQ off on November 4, 2020 between the permit hours of 8 am and 3 pm, estimating it to be around 12:30 pm. This shot will be on Bench #6 on the North side of the bench. Mr. Bishop, I will call you about 1 hour before the shot to provide you with the time of the blast so you can prepare for it. If anyone has any questions please feel free to contact me.

Have a great week,
