RE: Cross Gold Mine, Permit No. M-1977-410 Technical Revision No. 8 (TR 8).

Dear Ms. Eschberger:

Currently, We have submitted our response letter but we understand there might be some additional questions so to give time for that process we would like to request a 7-day extension, moving the decision date from 11/6/2020 to 11/13/2020.

Thank you for your continued support on all the GIR projects as we move forward.

Please do not hesitate to contact me directly with any additional questions or concerns.

Yours truly,
