**Re: Permit No. M-1980-244; Cripple Creek & Victor Gold Mining Company; Cresson Project; –
Technical Revision 124 Extension Request – Carlton Tunnel Mapping Adjustment**

Dear Mr. Cazier:

Newmont Corporation's Cripple Creek and Victor Gold Mining Company (CC&V) hereby requests an extension to the decision date for TR 124 from November 5, 2020 to November 12, 2020. CC&V is requesting the extension in order to make necessary adjustments to respond to adequacy review comments received from the Division of Reclamation, Mining, and Safety (DRMS) on October 27, 2020. CC&V believes this will facilitate enough time to provide adequate responses and allow DRMS to review them.

Should you require further information please do not hesitate to contact Katie Blake at 719-689-4048 or Katie.Blake@Newmont.com or me at (719) 689- 4046 or Justin.Bills@Newmont.com.

Regards,
