Hi Amy thank you for sending the Acreage Reduction request. As I mentioned to you in our telephone conversation earlier this week, no-one from the mining company operation has my permission to use my property for access or any other purpose. Any past, present or future use of my land by the mining company constitutes unlawful trespass. Therefore I must object to any alteration of the mining company's permit that fails to address, recognize and prevent any trespass on my property. Thank you. MP 720 404-5660
