Good Morning Everyone,

The next scheduled blast at RCQ will be this Wednesday, November 11, 2020 between the permit hours of 8 am and 3 pm, with an estimated time of 12 pm pending weather and/or mechanical issues. Ken, I will give you a call approximately one hour before the shot on the shot day so you can prepare for the blast. This will be a ramp shot on the far NW side of bench 5. If you have any question or concerns please feel free to contact me.

Thank you,

Wayne Stoughton
