Patrick

Thankyou for your quick response. Attached are a revision of page 6 that corrects the new entrance coordinates. The address is the corner of Highway 96 and Langdon Street. Pictures of the access point have been sent to show the entrance. This will used for construction of the Water Storage and limited operational use. Not nearly the traffic of the existing mine entrance.

Due to Covid and election day. The clerk at the pueblo county recorders office signed a handwritten receipt. Let me know if this is acceptable.

Thanks again

Jerry Schnabel
