***RE: Gold Links Mine, Permit No. M-1987-143, Technical Revision (TR-04 ) Approval***

Mr. Wilkinson:

The Division of Reclamation, Mining and Safety (Division) has approved your Technical Revision request (TR-04) which addresses the following:

*Construction of new portal and underground room for generator and equipment storage.*

The terms of TR-04 approved by the Division are hereby incorporated into Permit No. M-1987-143. All other conditions and requirements of the permit remain in full force and effect.

The required financial warranty amount has been increased to include closure costs for the new portal (estimate enclosed). **Please submit additional financial warranty in the amount of \$5,798.00, for a total financial warranty amount of \$8,598.00, by Friday, January 8, 2021, and prior to construction of the new portal.** The revision will not be final until the financial warranty is received and approved by the Division.

If you require additional information, or have questions or concerns, please contact me.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Dustin Czapla'.
