RE: Leadville Mill, Permit # M-1990-057, Technical Revision (TR-05) Application Adequacy Review

Mr. Michael:

The Division of Reclamation, Mining and Safety (Division) is in the process of reviewing your technical revision application (TR-05). During review of the material submitted, the Division determined that the following issue(s) of concern shall be adequately addressed before the application can be considered for approval.

- 1. The application states that the relocated tailings will be placed on a liner at least 7 mil thick. Please inform the Division of the type (material) of liner to be used for the new tailings pad.*

Please submit your response(s) to the above listed issue(s) by Thursday, November 19, 2020.

If you require additional information, or have questions or concerns, please contact me.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Dustin Czapla'.
